Customer Testimonials

“We would all like to express our deepest thanks for all the wonderful care, which our mother received while at Lynhales. The high standards and excellent quality of your work were always evident whenever we visited and we know that Mum was always so much at ease with you all. It was so good for us to be given such a welcome and the kind offer of refreshments for us was always very much appreciated. We cannot speak highly enough of you all – thank you so much for such exceptional and outstanding nursing care.”

“It gives me great pleasure to write to you to say thank you for a wonderful Christmas Party on 14th December. It had a wonderful atmosphere and I can think of no one who could say they did not enjoy it. One of the pictures I have in my mind is how lovely all the residents, who came looked, all dressed so nicely and your staff should be congratulated, they did a fantastic job. Everyone, yes everyone, worked so hard and we as a family say we appreciate all that you did and all that you do, do. So thank you one and all. Christmas is a time of giving, and you gave. Wonderful.”

Mrs Ewins’ Family

“I wanted to write to thank you and your staff at Lynhales for all you have done over the past few years, and particularly latterly, to make my mother’s life as good as is could possibly be under the medical circumstances, which prevailed for her. My sisters and I are enormously appreciative and grateful to you and I would appreciate it greatly if this could be conveyed to all the Sisters and nurses who did so much. I have had many letters about my mother’s death and in my reply to each one I have referred to the excellence of the care and nursing that she had received. Thank you all very much indeed.”

Mrs Kemp-Welch’s Family

“A special thank you to everyone at Lynhales Hall Nursing Home for the loving care they gave to Mum in her short time with them, with the comfort and kindness shown to her family at such a sad time.”

Mrs Brazier’s Family

“On Christmas Day, Mum will have been with you for exactly nine months. As a family we cannot thank you enough for the difference you have made to her life. Of course, she is upset when we leave at times, but I know beyond doubt that she is very happy and content. Indeed, you have given me a ‘new’ Mum! The singing, dancing, joking and teasing Mum didn’t exist before! Thank you for bringing this out and giving us all a new happiness.”

Mrs Ewins’ Family

“Just a note to say thank you very much for the nursing and kindness shown to Mum. Also for the sympathetic way everyone dealt with us.”
